Fort Irwin seniors centre opens doors

Large crowd, local politicians on hand Monday for opening ceremonies

by MARTIN BIEFER
Echo Editor

The citizens of the Fort Irwin area made a new beginning Monday, as they officially opened a new community centre for senior citizens.

The impressive wooden structure, located on land donated by the Municipality of Dysart et al, overlooks Haliburton Lake about three miles north of the hamlet.

A crowd of nearly 100 people attended the official opening ceremonies Monday afternoon.

Shirley Mark acted as M.C., and introduced guest speakers Bill Scott (Victoria-Haliburton MPP), John

Eakins (Victoria-Haliburton MPP) and Dysart reeve Murray Fearrey.

First to speak was Scott, who mentioned he had given up a chance to meet "Prince Charles and Princess Diana...in Ottawa this afternoon." The MP said he would be leaving for the nation's capital immediately following the ceremony.

He presented Shirley Mark with two important gifts -- a portrait of Queen Elizabeth, and a Canadian flag. It was the veterans, said the MP, who preserved our society -- and now, as senior citizens, deserve facilities like the new one at Fort Irwin.

He said residents of the High-

lands were blessed with "beautiful lakes and trees," and called the new centre a sign of progress.

MPP John Eakins said he welcomed the opportunity to "get away from downtown Toronto" on such a lovely day.

He said he had to "echo what Bill (Scott) says...this is one of the most beautiful parts of the country."

The community centre, he said, "will be a focal point...a place where people can meet together."

Dysart reeve Murray Fearrey performed the official duty of cutting the ribbon and declaring the centre officially open.

The Haliburton Lake area, he

said, "was one of the first areas where cottage development took place" in the municipality, back in the 1950's. As such, added the reeve, there are more residents in the area than any other lakes in the area.

He said Dysart Coun. Glen Hodgson, who represents the Fort Irwin ward, would be "more than ready" to deliver any concerns of ratepayers to the council table.

A team effort

The most striking fact about the entire project is that volunteers did all the construction work.

Building fund chairman Joan Fil-

more told the *Echo* that the bulk of

the funding for the project came from a federal New Horizons grant. The municipality donated the land, and volunteers, ably led by foreman Jim DeYoung, did "a marvellous job" in putting up the building.

It will be used for senior citizen activities -- such as luncheons, card parties, and other get-togethers, she said.

The centre, equipped with a kitchen, washrooms and a large dance floor, was tested out by the large crowd, who sampled sandwiches over tea and coffee.

Lill Haight and Mayme Douglas assisted the reeve during the ribbon cutting ceremony.

Katimavik plans starting to roll

Dysart's Katimavik project began in earnest last Thursday afternoon, as project supervisor "B" Rootham met with officials from the various sponsor groups in the project.

One of the first decisions made was to find more volunteers for the committee.

Katimavik is a unique federally-sponsored plan whereby teams of volunteers (youngsters 17 to 21, from all across Canada) carry out community projects -- at no cost, save that of materials and supervision, to the project sponsor.

Plans in store for the next three months include Head Lake park development and maintenance, decorative tree planting, planter construction, river and lakeshore line stabilization (Gabion basket installation) ball field maintenance, and participation in municipal summer events.

The second three-month rotation

sors" be asked to take part in the program -- so that some of the responsibilities could be delegated more easily.

Coun. Baker suggested that local senior citizens be asked to help. Other possible assistance will be sought from local service clubs and organizations.

Rootham told the committee that meetings would be held about once every month.

The committee is to be responsible for welcome and farewell events for each of the three month rotations, the setting up of a "community integration committee" to provide participants with information on what to do and see in the community, and aiding the billeting process.

The municipality of Dysart et al has agreed to sponsor the first of these functions.

Committee meets for first time

of volunteers will carry out construction and maintenance on cross-country ski trails, will improve wood lots, build picnic tables, build seats at Indian wells, and work at the seniors drop-in centre.

The third rotation will see a continuance of wood lot improvements, picnic tables and toilet construction, painting at the arena and museum, work at the art gallery, churches, involvement with syrup producers.

Ian Douglas will supervise municipal project workers. Chris Lynd and Betty Smith will supervise workers helping at the Rails' End Gallery; Gaylene Johnson will monitor work at the Haliburton Highlands Museum.

Along with Coun. Dorothy Baker of Dysart the sponsor group representatives form the "Local Katimavik Sponsor Committee."

Share the load

As details of what the LKSC became more clear, committee members Chris Lynd suggested that more members "who are not spon-

Billeting

A LKSC sub-committee will handle the job of finding families willing to take billets. There will be about 10 people looking for billets for a two week period each rotation, said Rootham -- and sponsoring families will receive \$6 daily for their assistance.

The committee met with official Barry Bloom from the project in Barrie Monday night to discuss more details of the program.

An enthusiastic Rootham said everything is "coming together quite smoothly" now.

The committee will also be asked to assist in the drafting of a list of resources, people places and events for Katimavik learning programs.

Among the programs are nutrition and well being, the use of a second language, active leisure, social-cultural events, billeting, international awareness, environment and technology, and work skills.

Anyone wishing to assist should contact B Rootham at 457-1676.

A large crowd of tourists from France were welcomed to the Wig-a-Mog Inn and the Locarno Resort in their native tongue by Dysart Reeve Murray Fearrey

Monday night. The reeve admitted his first french lesson had begun hours earlier -- but received a warm round of applause for his efforts.

The hot sun blistered down on a crowd of about 100 people Monday afternoon as Dysart Reeve Murray Fearrey (centre) cut the ribbon to open a new senior

citizens centre near Fort Irwin. With the reeve, at left, is Lill Haight. To the right of the picture is Mayme Douglas.

Environment ministry will study sewage systems at Haliburton lakes

The Ministry of the Environment will inspect and evaluate sewage systems at Clement Lake and the south bay of Haliburton Lake this year -- and property owners will have to foot the repair bill if their systems are sub-standard.

Data supplied by the ministry's cottage pollution control program shows that 979 private sewage disposal systems were inspected on local lakes last year. The areas surveyed in 1982 included Boshkung Lake, Dudman Lake (also known as Wenona Lake), Long Lake and Negaunee Lake, as well as part of the Lake of Bays. Lakefront properties in Muskoka District and Simcoe County were also examined.

The findings indicated that 32.1 per cent of lakefront systems were performing satisfactorily, 38.9 per cent were "ser-

iously substandard", 20.6 per cent were "discharging wash-water or solid waste onto the ground surface", about "0.9 per cent were direct polluters and 7.4 per cent were unclassified after the initial detection survey."

Owners must pay

Property owners surveyed must, at their own cost, carry out the necessary "corrective work" if their system is found to be substandard, according to Wayne Moore of the ministry.

The report shows that "as of Dec. 31, 1982, 181 agreements for corrective work to be carried

out had been signed by the owners. Corrections...had been completed and inspected for 153 systems, but 113 systems remained uncorrected."

Moore said that since December, the number of uncorrected systems in Haliburton County had dropped to just 10... "a very good total."

Studies were carried out, he said, with the full cooperation of local health units and cottagers associations.

He agreed that it was "unfortunate" that no grants exist to aid owners of property on recreational lakes in carrying out work. Grants do exist to aid residential property owners, he pointed out.

Since 1974 more than 10,000 cottagers and lakefront property owners have taken part in the survey.

OPP report

During the period between June 13 and 19 personnel at Minden detachment investigated 13 motor vehicle accidents with four minor injuries, and 65 general occurrences (nine break and enters, eight thefts, four assaults and three domestic investigations.)

Stolen Car

At 2 p.m. on Saturday, June 18 a 1979 Pontiac was reported to have been stolen from the parking area at Black Lake in Lutterworth Township. Several attempts were made to steal other vehicles parked there. The car was located on a nearby cottage road where it had been run off the road into some rocks and heavily damaged. Damage was estimated at \$4,500. P.C. Jim Solway is investigating.

Accident

On Sunday, June 19 at 4:35 p.m. two cars collided at the intersection of County Road 17 and Sandy Beach Road in Minden Township resulting in two minor injuries.

May Ann Voicoy, 50, of Minden Township had her 1972 Chev damaged to the tune of \$1,200, and 76-year-old Lorne Dittmer's 1974 Gremlin sustained \$1,000 damage. He was charged with failing to yield the right-of-way. P.C. Bob Pearson was the investigating officer.

Accident

On Saturday, June 18, at noon, two cars travelling in opposite directions collided on the Fletcher Lake Road in McClintock Township. A 1980 Olds driven by Maurice Pepper, 50, of Newmarket, sustained \$4,500 damage and a 1974 Olds driven by Carman Greaves, 43, of Kawagama Lake sustained \$2,500 damage. The collision occurred at the crest of a hill in the centre of the road. There were no injuries or charges. P.C. Brian Dunham was the investigating officer.

Mrs. Smith of Minden drew the winning ticket in the Rotary Club of Haliburton's "Early Bird" draw last week. The winner was Greg Brooker of Wilberforce -- who took home a gas barbecue. The next draw takes

place July 15, and the winner will take home a colour T.V. From left to right are Rotary president Doug Devolin, Mrs. Smith, director Paul Wilson, and past-president David Bishop.

Info centre is still going strong

It seems that the 1983 Haliburton Highlands Directory published by the Chamber of Commerce and the Haliburton Highlands Hospitality Training Centre Newsletter ignore the fact that we have a community information centre in the County!

Nto so the permanent and seasonal residents of our beautiful Highlands!

They know where to go when they need help with government red tape, housing, financial assistance, health, recreation, education, etc.

Since January 1, over 1000 calls have been received and attended to by the centre.

Grant money and jobs in the building industry were created, and continue to be

created, because of the centre's publicity in regards to housing grants and loans and the availability of application forms in the office.

The Haliburton County Information Centre is located in the Drag River Municipal Building in Haliburton. Office hours are 9 a.m. to 4 p.m. Monday to Friday.

Permanent residents, tourists and cottagers -- we are here to serve you! Our services are confidential and free of charge. Phone or drop in anytime. Our number is 705-457-2733.

Editor's Note: I personally have used the services offered by the centre to seek and obtain information, grants, and application forms -- and recommend it highly.

Sherborne council

A regular meeting of Sherborne et al council was held May 9. Members present included Reeve Dalton MacDonald, Deputy-reeve Donald Shortreed, and councillors Joyce McKey, Ed Vallance and Marilyn Jarvis.

Employees present included clerk-treasurer Diane J. Griffin, deputy clerk-treasurer Irene R. Crewson, road superintendent Delbert Page and building inspector/by-law enforcement officer -- Arthur Haynes. Guests and ratepayers included Jon Derry, Victor Fumandiz, and Bill Obee -- county engineer.

It was noted that the minutes of the regular meeting of council held on April 25, 1983 would not be prepared for approval by council until the next regular meeting due to preparation for the OMB hearing to be held on May 30, 1983.

Bill Obee, county engineer was in attendance along with Jon Derry to discuss that portion of the old County Road 8 which lies in front of Derry's residence. Derry

presented some of his concerns to Obee who in turn advised that the matters would be looked into. After some discussion.

The letter from Obee dated April 15, 1983 regarding the parking of vehicles on township and county roads in winter was discussed. Council presented Obee with a copy of a letter signed by F.W. Magee, provincial constable 3976 under the heading of "Parked Interfering with Snow Removal or Traffic." Council advised Obee that this letter was enclosed with all tax notices mailed and due on March 31, 1981.

Informal discussion took place regarding the parking situation at Robinson's General Store and the County Road 39 road allowance.

Delbert Page, road superintendent, reported to council. He advised that two tenders were received regarding the supply of furnace oil and diesel fuel to all municipal facilities requiring same. The tenders received

Please turn to Page 9

Monmouth wants super

A special meeting of Monmouth council was held on June 16 at 7 p.m. Members present included Reeve Keith Tallman, Deputy-reeve Harry Clark, and councillors Jim Deterling, Barry Dunford, and Alan Revill. Clerk-treasurer Sharon Stoughton was also on hand.

Resolutions
Moved by Dunford, seconded by Deterling, that this special meeting of June 16 be opened. Carried.

Moved by Revill, seconded by Dunford that we advertise locally for the position of Road Superintendent requesting applicants with a Class "A" licence, to be a working superintendent with salary to be in the \$17,000 to \$19,000 range. Deadline for written applications to be received by July 4, 1983, 4 p.m. daylight savings time by the township clerk at the municipal office for Monmouth Township. Carried.

Local volunteer speaks on the HCHSS

Victoria Agnew and Elsie Bursey attend meeting in Orillia

Victoria Agnew of Wilberforce spoke about the accomplishments of the Haliburton County Home Support Services at a rural development symposium at Geneva Park YMCA Conference Centre, near Orillia, June 10-12. The theme of the conference was Sharing Approaches that Work.

A hundred people, representing almost 50 different projects, shared their successes in developing solutions to challenges in their communities or organizations. In all the projects, the people af-

fectured by a challenge helped respond to it.

Victoria Agnew and Elsie Bursey told about how Haliburton County Home Support Services explored and resolved the innovative use of local resources, the effective use of appropriate expertise and dedicated leadership.

There was a new and dynamic approach to workshops and their aims -- and Mrs. Agnew called it "a most refreshing and revitalizing experience."

The Symposium is one of a series being held across Canada in preparation for

the International Exposition of Rural Development in New Delhi, India, in 1984. It is part of the national effort to discover "approaches that work" in local development in Canada. Some of the projects exhibited at the local symposium will be displayed at the New Delhi, India portion of the Exposition in February, 1984.

The Geneva Park Symposium was sponsored by: Geneva Park YMCA Conference Centre, Massey-Ferguson Limited, Native Community Branch, Ministry of Citizenship and

Culture, Pioneer Hi-Bred Limited, Rotary Club of Orillia and the Canadian Institute of Cultural Affairs.

The three-phase Exposition program is being co-sponsored by the United Nations Development Fund, the United Nations Fund for Population Activities. The organizing sponsor for the Exposition is the Institute of Cultural Affairs International (ICAI), a private, non-profit development association of all the nationally registered and chartered ICAs in 35 nations.

PC Frank Miller visits Haliburton

Ontario still most "efficiently-run"

Ontario Treasurer Frank Miller was the honored guest of the Victoria-Haliburton Progressive Conservative riding association (provincial) at a dinner meeting last Friday night -- and the minister came across as an affable, friendly politician.

Miller joked with photographers before the private meeting with the association executive. According to association president Art Dawson, the purpose of the minister's visit was "to give us direct contact with Queen's Park" and to support the association's long-term goal -- the election of a PC candidate in the riding.

The Liberals have held Victoria-Haliburton since 1975.

"The executive expressed an interest in hearing from the treasurer...and he volunteered to come to Haliburton," explained Dawson.

Miller is the PC member from nearby Muskoka.

Quite a few local PC supporters were on hand for the meeting, which took place at the Wig-a-Mog Inn.

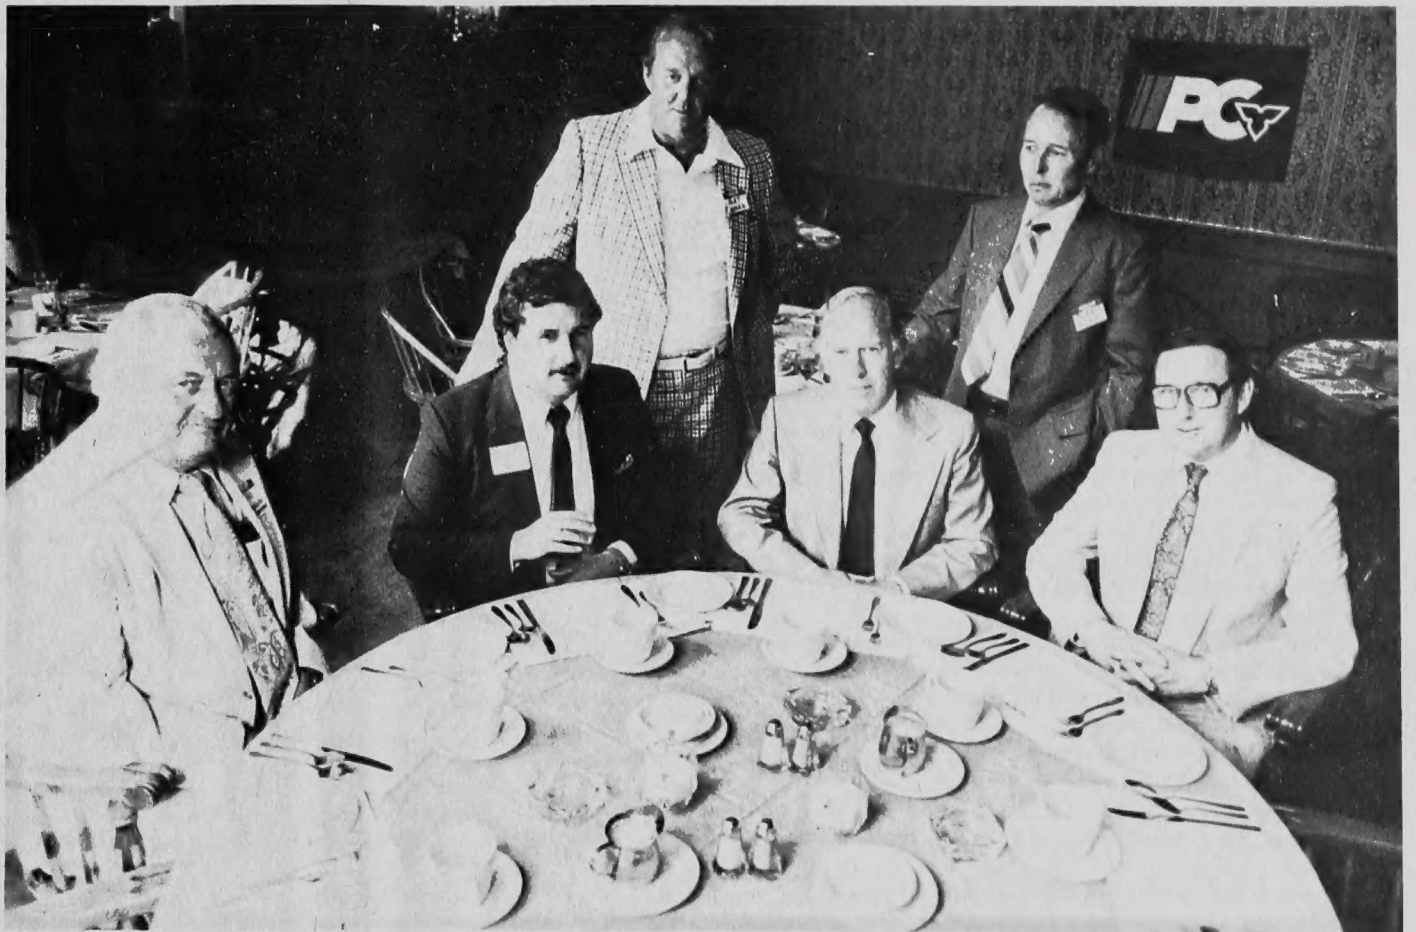

Miller told the gathering of close to fifty people that Ontario "is the most efficiently-run province in Canada," said Dawson.

Dawson said Victoria-Haliburton MP Bill Scott and representatives from all areas of Victoria-Haliburton were on hand.

After the dinner meeting upstairs, Miller brought greetings from the provincial government to a Haliburton County Board of Education meeting downstairs.

"He said he felt the national party was unified after the leadership convention," said Dawson, adding that Miller "welcomed the opportunity of meeting Victoria-Haliburton delegates."

The next official PC function is the federal association barbeque, which will be held August 14 in Kinmount.

There was a large turnout of local Progressive Conservative party supporters at the Wig-a-Mog Inn last Friday night to greet Ontario Treasurer Frank Miller. From left to right, seated, are Roy Windover,

Art Dawson, Frank Miller, and Murray Fearrey. Standing are Art Ward and Curry Bishop.

Local fire wardens take a look from up in the sky

Local volunteer fire wardens have a lot of responsibility.

For that reason, several wardens from the county took part in a seminar this weekend on Head Lake in Haliburton, conducted by the Ministry of Natural Resources.

The six wardens in attendance were given a demonstration on the correct use of pump systems "from start to finish," explained Bob Musclow, the district fire control superintendent.

As well, the Saturday session involved some classroom work -- on how to file reports and how to issue fire permits.

can be called in to help, he said.

Public help

When the wardens took off for a flight to familiarize themselves with their territory (the circuit looped from Ingoldsby to Kennis Lake, to Fort Irwin and back to Haliburton) their sharp eyes caught a small fire burning in Eyre Township. A later check showed that the fire was under control -- but a man was burning brush without a proper permit.

Despite the fact that the view of the county from above is somewhat disorienting, the four wardens aboard had no trouble identifying

For pictures see page 11

The volunteers are selected by municipal governments and then approved by the ministry.

As well, noted Musclow, the position of fire warden is a volunteer one. "They don't get paid unless they have to take action on a fire," he said.

The ministry provides the wardens with the authority to take action, and issue them "a certain amount of equipment." More can be brought in if necessary, added Musclow.

"If they get something they can't handle, they're not stuck for equipment," he said. Besides the equipment in this district, other regions

the various lakes and roads below. But such fire detection from the air isn't a common occurrence here, said Musclow.

"We generally depend on the public" for brush fire reports, he said. However detection planes are called in when conditions indicated fire hazards, said Musclow. Planes from Muskoka MNR and Bonnechere MNR (near Pembroke) handle this district, he said.

As well, the MNR can allow the local district office to send up a local flyer to look for fires -- particularly after lightning strikes in the area, he said.

Stanhope Reeve Harry Davis (left) and Coun. Ann Barker (centre) listen as a Leslie M. Frost centre staff member gives them a brief rundown on upcoming events this year. Councillors asked the centre to make a presentation at Stanhope Fun Day this year.

Vaughan ready to play once more

Despite the loss of his right arm, Haliburton resident Rick Vaughan is determined to play his saxophone again -- and may do so later this summer.

Vaughan, a music teacher at Haliburton Highlands Secondary School, will travel to Edmonton early next month to have a special electronic shell fitted on the stump of his right arm. The device, called a "saxophone prosthesis," has been specially designed by Dean Charles of the University of Alberta.

Once it is fitted, Vaughan will be able to operate the right-hand controls of his saxophone -- which are now being replaced with special solenoid switches.

And if all goes to plan, he'll be playing once again -- for the first time since 1976.

A long road

It's been a long road back for Vaughan since a terrible accident in 1976.

He was a student at the University of Western Ontario, and had taken summer job with a small welding firm.

"I was in my third week of the job," he told CBC talk show host Peter Gzowski recently, "when the boom (on the welding truck) touched an overhead hydro line."

"The electricity ran through my right arm and out my feet. My arm was severely burned, and later had to be amputated."

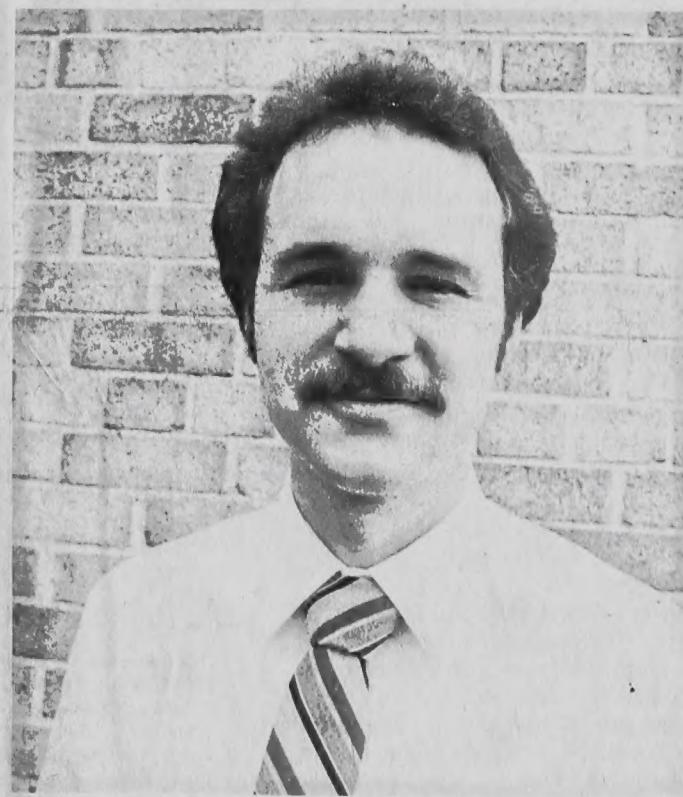

For the saxophone player, that appeared to be the end of the road -- at least, as far as a playing career went.

He continued his education, however, and began a teaching career.

Over the next few years he tried, along with engineers, to mount "solenoid switches on the left hand keys" of his instrument -- so he could operate the right hand keys with one hand. Engineers from Northern Telecom managed to devise a system that worked -- but the end result lacked the "delicacy and quickness" of a human hand.

"More sophisticated circuitry was needed," Vaughan said.

After several years of effort, he was just about ready to give up -- when his mother-in-law spotted the seemingly impossible on the

Rick Vaughan of HHSS hopes that a trip to Edmonton next month will allow him to once again play his saxophone. He will be fitted for a specially-designed shell, which will allow him to operate solenoid-switched keys.

"That's Incredible" television show.

A professional saxophonist from the United States, Hank De Marco, was featured on the show -- playing his sax with his right hand. He had lost his left hand in an accident, but had been fitted with a special shell.

After doing a little checking, Vaughan found that the inventor of the shell was Dean Charles. He got in contact with him over the phone, and Charles agreed to cooperate.

That's the story up to the present. Vaughan told the Echo Monday that he and his wife Nada will travel to Edmonton at the beginning of July to meet with Charles.

Gzowski has asked him to play his sax on Morningside (a CBC radio show) once he's fitted with the

special shell. Vaughan cautioned that he didn't "want to count his chickens before they're hatched."

Charles has written Vaughan, asking that he spend as much time as possible in Edmonton for the fitting.

"The fitting may take more time... (than three days) and I don't want to rush this work," wrote Charles.

"The photographs... show your right arm, with the portion below the elbow, is clearly long enough to operate the same type of controls we used successfully on Hank De Marco," he added.

Vaughan also made a point of thanking the Ontario Workers Compensation Board for all their aid. "They've helped me a lot financially and otherwise," he said.

Leslie Frost Centre a unique place to visit

by MARTIN BIEFER
Echo Editor

The Leslie M. Frost Natural Resources Centre near Dorset offers visitors "perspectives on the environment that they can't get anywhere else."

So says centre official George Hamilton, who briefed reporters and interested citizens at an open house session last Friday.

Hamilton said officials at the centre are able to explain resource management more fully to their guests -- the bulk of which are children from Ontario schools.

"We try to explain trapping as a business, the cutting of trees, har-

vesting, conservation, and mining," he said. All these facets of resource management can be demonstrated at the beautiful centre, located on the shores of St. Nora Lake in Sherborne Township. (The centre's property also covers parts of Muskoka District and Stanhope Township).

The centre was for many years a forest ranger training facility -- but was shut down in the late sixties when community colleges took over the responsibility of training rangers.

In 1973, however, it was revived as a resource centre.

Children typically spend three

days (the centre has full dormitory facilities) for sessions -- and Hamilton pointed out the centre is booked solid until well into next year.

For staff members, it's like "working in a dream world." For city people, the centre serves as "an oasis... where they can come to see how rural Ontario lives," he said.

Other groups -- besides the general public -- who visit the centre on a regular basis include MNR staff (for in-service training), summer schools, an Ontario Fed-

New law is planned for ATC's

It appears the provincial government has finally heeded cries from municipalities for tougher regulation of off-road vehicles.

Last week, Minister of Transportation and Communications James Snow told the Legislature that the government "has been deluged with circulations from municipalities... (voicing) their concern over the lack of control of off-road vehicles."

"It's very clear," he said, "that the municipalities want provincial control over trail bikes and other related motorized off-highway vehicles."

Snow said the vehicles aren't now licenced because they don't meet equipment requirements for highway operation and owners "often choose to operate them off the highways."

Municipalities, the minister said, can't "effectively control the damage to public property caused by such vehicles."

The new legislation, when enacted, will require owners of off-highway vehicles to register them -- unless they are already licenced under the Highway Traffic Act, the minister said.

Registrants must be 16 years of age or over "and required to pay a one-time registration fee valid for the lifetime of the holder," said Snow.

Another step includes the issuing of a permit and plate for each off-road vehicle so that owners can be more readily identified.

Liberal MPP John Eakins of Victoria-Haliburton has also called for tougher regulations on off-road vehicles.

Snow said that more than 160 municipalities had called for changes in the legislation by last year. Along with private groups (motorcycle associations, cottage owners groups, and industry bodies) concerns show that "without controls... operators of off-highway vehicles will continue to annoy local residents by making excessive noise, and operate their vehicles in a hazardous manner, namely in populated areas such as school yards and public parks."

The new bill will, once enacted

- lay the responsibility for violations under this act and any liability for loss or damage upon the owner as well as the operator
- require public liability insurance for the use of these vehicles -- unless they are used exclusively on the owner's private land. Police may request and receive driver's identification

- continue to call for the use of helmets

Tougher laws for ATC

We can only applaud the news that the provincial government intends to stiffen regulations governing the use of all-terrain vehicles.

ATC's, like trail bikes and snowmobiles before them, are the latest fad in motorized fun. And there's no doubt the vehicles are great fun -- if used properly.

But a glance around Haliburton village any weekend will reveal instances of ATC's being used on roadways...and usually by children not old enough to shave, much less obtain a driver's licence.

Minister of Transportation and Communications James Snow says more regulations will cut down on the nuisance value of all off-road vehicles being used on roadways -- but let's not forget the safety factor at work here.

It wasn't that long ago that a pair of children were killed while riding a motorized tricycle.

Surely youngsters aged 11 and 12 shouldn't be aloudn to ride such machines anywhere...even on private property and off roads.

The new legislation will at least require licencing of machines, and should cut down on the number of machines crossing travelled roads.

But as brought forward by the minister, the new legislation still permits the unlicensed use of the vehicles on private lands.

Let's have an all-encompassing act that will stop youngsters from driving these machines...anywhere. ATC's are great for those who know how to use them -- so let's keep things that way.

Seniors among our very best

Fort Irwin has done itself proud.

The tiny hamlet -- end terminal on the Harburn Road -- has, with the aid of the municipality of Dysart and a New Horizons grant, built a spanking-new facility for its senior citizens.

And what's more, the task of building the new structure was accomplished by a team of volunteers. The grant purchased the materials, while the land was furnished by the municipality.

Here in Haliburton County we constantly see the efforts of our seniors pay off. We have only to look to the Haliburton County Home Support Services' operation, based in the village of Haliburton but serving the entire county, to see what can be accomplished by a dedicated few.

This week is seniors' week -- and what better way to kick things off than with the opening of this new facility?

At the same time, local seniors enjoyed the subsidized use of the recreation facilities at the PineStone Inn.

The local seniors have, in recent weeks, been active in the planting of flowers on our main street, and are to be asked to aid in our new Katimavik program.

In Ottawa, a retired civil servant has started up a successful employment centre for seniors. His goal -- to find work for seniors who, after a brief retirement, find they don't much enjoy simply sitting around in armchairs drinking tea.

Jim Gibson, the founder of the group, had already begun the retirement life at a Bobcaygeon cottage when he hit upon the idea of getting a grant and starting the agency. Since he began last year more than 200 seniors have found work.

The Haliburton County Information and Referral Service, now staffed by senior citizen volunteers, has been responsible directly for much grant money flowing into this community -- simply having the necessary information ready for callers.

The list goes on and on.

Our senior citizens, or at least, the percentile of the population over 65, are becoming more numerous each year. Estimates show that by the turn of the century, the majority of Canadians will be seniors.

Thankfully, we're realizing at last that senior citizens have as much to offer their community and their society as any "junior" citizen. They have a wealth of knowledge, a treasury of life experience, and the "smarts" to get a job done well.

Our seniors are a natural resource -- they're more than just tea drinkers and card players. Let's treat them with the dignity and respect they deserve.

After all, we'll all be seniors one of these days.

MNR fire wardens

The Ministry of Natural Resources fire wardens have an interesting grasp on the county -- an ability to read it, from the air, as others would read words on a printed page.

Even a well-travelled county resident becomes disoriented quickly once off the ground. Where, one might ask, is north -- and what's that lake over there?

But the MNR wardens, during a one-hour orientation flight, knew exactly where they were at all times. They even spotted and reported a small brush fire in the Kennis Lake area.

When one looks at the amount of Crown Land in this county -- the lakes still ringed by uncut forest, still untouched by roadways -- one realizes the importance of MNR firecrews.

With the weather as dry as it is now, a fire could very easily prove disastrous.

The wardens are on the job to keep that from happening...and work with our local fire departments often to keep things under control.

The old Standard Chemical factory at Donald.

Letters

A letter from Mr. and Mrs. Fox

The following letter was received by Bill Giddon of Haliburton.

Dear Mr. Giddon:
Thank you for your two most recent letters and the tape of your composition "Requiem for Terry Fox." We played the tape and liked it very much. We can certainly understand why you had a full house at every performance.

We would like to express our gratitude to you and the performers for

taking the time from your busy schedule to make the tape for us.

The contribution of nearly \$1,800 from those who went to hear the performance to the Marathon of Hope Fund is greatly appreciated.

Our very best wishes to you and the members of the choir.

Yours sincerely,
Betty Fox

Cottagers concerned about instruction

To the Editor:

It has come to our attention that Camp White Pine intends to rent waterfront on Cranberry Lake for the sole purpose of Water Ski Instruction seven days a week at least eight hours a day. If you are familiar with this area you will realize that Cranberry Lake is very small and can only support those existing property owners.

This overuse by White Pine Camp would be detrimental to wildlife,

fishing and the safety of our children. Water skiing by the cottagers a few hours a day is something to which we do not object but Camp White Pine has its own lake for such purposes. Why create a problem elsewhere? Our taxes are plenty high enough. Why should outsiders be allowed to disturb the peace and quiet of our beautiful lake. This to me is not justice.

Yours truly,
Hazel and Allan Dorman
Cranberry Lake cottagers

Aluminum, Alzheimer's are linked

To the Editor:

Some time ago, research into the causes of Alzheimers disease (pre-mature senility) disclosed a tentative relationship between the disease and high levels of aluminum ions in the cerebral cortex.

Recently further detailed research has confirmed this relationship although it is not known whether aluminum acts as a trigger to an as yet unknown - pseudo-virus or is the original cause of the disease.

What has been established is the fact that the removal of aluminum ions from the blood of victims of the disease has resulted in a slowdown in the rate of onset and the severity of certain symptoms of the disease. The only other partially effective treatment uses the drug naxalone.

This disease is one of the greatest tragedies of our times. It can strike as early as people's late forties and slowly reduces its victims to a semi-

violent vegetable-like state. As the percentage of elderly in our population increases the number of its victims keeps pace. It now poses an almost insurmountable hurdle to our overburdened and underfunded health care system.

In Sweden, high aluminum levels in drinking water sources due to acid rain, has already caused serious health problems and some deaths in the very young. In some parts of our county, the MOE has already established that our drinking water sources are seriously acidified. Although flushing the taps before use will remove whatever copper or lead that has been dissolved from the piping system itself, no amount of flushing will remove the heavy metal salts and aluminum present in the basic water supply. Furthermore these levels will steadily increase with time and increased acidity. The heavy metal ions pose a

Creighton Feir

Victoria Agnew of Wilberforce, Ontario spoke about the accomplishments of the Haliburton County Home Support Service at a Rural Development Symposium at the Geneva Park YMCA Conference Centre, near Orillia on June 10-12. The theme of the Conference was "Sharing Approaches that work." A hundred people, representing almost 50 different projects, shared their successes in developing solutions to challenges in their communities or organizations. In all the projects, the people affected by a challenge helped respond to it.

The Rotary Club of Haliburton will be holding their end of the year President's Dinner on June 30, Wig-a-Mog Inn.

The Haliburton United Church has announced that it is in need of good used bedding and men's and women's clothing (especially nightwear) which is being collected again to be sent to the Fred Victor Mission and also to Street Haven which is a refuge for battered and needy women. Members of the congregation are asked to please leave items in the church basement where a box has been placed by the furnace.

Mr. and Mrs. Bob Bishop Sr. of Haliburton have returned home following a vacation to British Columbia. Bob was telling me that they visited George Pratt, a former resident of Haliburton and Minden, who is a sculptor and now resides in Vancouver. George was saying that his statue of Terry Fox is now completed and will soon be erected on the library grounds in Terry's home town of Port Coquitlam, B.C. George Pratt is also in the silk screening business and we understand that this business is going over well. He wants to be remembered to all of his old friends in Haliburton.

The first hole in one to be recorded at the Haliburton Highlands Golf Club at Haliburton in the past three years happened on Sunday when Andy Taylor of Aurora, Ontario, playing in a foursome with his friends Rod Patterson, Andy

The first hole in one to be recorded at the Haliburton Highlands Golf Club at Haliburton in the past three years happened on Sunday when Andy Taylor of Aurora, Ontario was playing in a foursome with his friends Rod Patterson, Andy

The first hole in one to be recorded at the Haliburton Highlands Golf Club at Haliburton in the past three years happened on Sunday when Andy Taylor of Aurora, Ontario, playing in a foursome with his friends Rod Patterson, Andy Hutchinson and Brian cole-Fitzpatrick had a hole-in-one on the 135-yard 5th hole. Our congratulations on this feat that just doesn't happen every day.

This is senior citizen's week in honor of all Senior Citizens in the County of Haliburton. Activities involving the seniors are going on all over the county and we hope that all those who are involved are having a wonderful time. There seems to be so many more things now for the senior citizens to get involved in.

One thing that really disturbs me when I walk up and down the main streets of Haliburton and Minden is to see the beautiful store windows all cluttered up with everything from posters and signs to old envelopes with something scratched on it that says that a certain person is trying to get rid of a kitchen table. Some of these windows have so many posters stuck on them that it's very hard to see in to see what the window display has to offer. It's so bad at times that it must be hard for the owner of one of these business establishments to know if it is day or night outside.

If I were in business uptown I would tell some of these people to peddle their papers elsewhere. This is what we have a newspaper for so that people have the opportunity to advertise their event or product each and every week. Take a look the next time you are down town in either of these two villages and take a glance into some of these windows and see what a mess it really is.

Local ball fans are really starting to get excited about the fact that the Toronto Blue Jays at the present time are only two games out of first place. In talking with several people lately I am really surprised at the number of them who have tickets for many of the future games to be played in Toronto. It's taken the Toronto ball club a few years to get in the groove but this young team has found the formula to get runs and win games. Who knows, we may see a World Series game in Toronto a lot sooner than we think, OK Blue Jays, let's play ball. Editor's Note: Let's not forget those Expos, Creighton.

Not being able to take it with you is not the problem anymore. The problem now is managing to leave some behind.

The Haliburton County Echo is in need of old photos for its Pic of the Past section. If you have any old photos we would appreciate hearing from you. Please send them in by mail or just drop them off at our office. There is only one thing that we ask you to do. Make sure that you supply us with enough information for the caption under the photo.

Pic of the Past

Our thanks go out this week to Ronald J. Curry of Haliburton for submitting this most interesting photo taken from his wide selection of photos which he has collected up through the years. This photo taken in the year 1908 shows

some of the employees of the Wm. Laking Lumber Co. at a log drive at the Drag Lake Dam near Haliburton. The Wm. Laking Mill, one of the largest in the area at that time, was located in Haliburton village.

From the Chamber

New Chamber manager to be named this week

The Chamber is presently in the process of hiring a new manager to enable the writer to shift into a part time position of "marketing representative." The new manager will be taking over the responsibilities of preparing this column each week and since the selection committee has promised a decision is forthcoming this week I presume this may be my final attempt at communicating with you in this fashion.

I have mixed emotions about this. The column has been in many ways a burden and a very time consuming chore to prepare every week. Often I wondered if it was worth the frustration because I wasn't convinced anyone was paying attention. This concern came to the front some months ago when I wrote a column asking "Is anyone out there?" I was rewarded with a response that indicated that indeed some of you, at least, "were out there and were paying attention. It encouraged me to continue to churn out the column and I hope it has served some of the purposes for which it was intended.

The column is intended as a communication link between the Chamber and the community and our members. It was often referred to as "Bob's column" and the Board requested that my name be left off the masthead to change the image to be that of a Chamber column, not an individual's. I therefore hope that you will continue to follow this column for up to the minute news on the Chamber and it's activities, along with news of what some of our members are doing.

Some weeks its not so easy. Many times I have begun to think about it over the weekend, laid awake the better part of Sunday night and heading for the office Monday morning still wondering what we can talk about this week. That's when you pray that there will be something in the morning mail that you can sink your teeth into.

Keeping the column interesting and newsworthy depends a great deal on you, the public. If you will keep us informed on coming events, changes in your businesses or organizations and any news of interest to others in the business community they become valuable components of the column. The new manager will need your assistance and I hope we can count on you to provide it.

Merchant of the week

I won't be deserting my editorial post entirely when the restructuring of responsibilities takes

place. With the "Shop and Deal in the Highlands" campaign participation we promised each of those involved that we would prepare a write-up entitled "Merchant of the Week." Since there were 40 coupons in our discount book you can see that it will take almost a year to complete this program. I am looking forward to beginning this next week however, and I hope you will follow the series and get to know our local business people as a result.

Cut in member visitations

When the original reorganization proposal was placed before the board there was a considerable budget allocated towards visiting each member in the county at least one and a half times per year on the average. This was subsequently changed by the board and the budget for that purpose removed. The board felt it was a luxury we could not afford and that if we had a program requiring a visit to the various members the cost of that visit would have to be built into the cost of that program.

Although I certainly agree with the Board, I have a very real concern that we could suffer from lack of participation by you, our members, unless we can encourage you to respond more readily to written requests for participation in some of the things we do. Certainly you can realize how substantially it adds to the cost of everything we do if members must be personally contacted sometimes as often as four and five times. Please help us hold down our administration costs by reading and responding to newsletters and the like. Your cooperation is not only appreciated... its absolutely necessary.

Minden area tourist association

As we complete this column a notice has been hand delivered to the Chamber office advising of a meeting tonight (Monday) to organize the "Minden Area Tourist Association." Since it is such short notice it is not likely any direct representation of the Chamber will be in attendance. We do, however, sincerely hope that some constructive planning is intended to create a way in which the new association can work cooperatively with our Chamber for the benefit of all. The Lake Kashagwigamog Tourist Association has proven over the years that a smaller localized tourist association can certainly be a great asset to an area if it is structured to compliment the larger organization already in place. We wish them success and certainly pledge our cooperation if this is their goal.

Queen's Park

John Eakins, M.P.P.

Eakins continues call for alcohol abuse study

Last Thursday afternoon I introduced a private member's resolution into the Ontario Legislature, and I am pleased to report it received the support of the House when Mr. Speaker put the motion.

Basically what my resolution called for was a comprehensive review of the use and abuse of alcohol in Ontario. It is my view that the time has come to develop a total alcohol policy for this province, and to stop dealing with certain aspects in isolation. It is an important and serious subject and should have input from many organizations, groups and individuals across Ontario.

The hospitality industry feels that it is time to reform the liquor laws in respect to hours of sale. They feel the present laws are not in keeping with the needs or wishes of their clientele. They also wish to see confirmed by law certain practices that are condoned but not legalized.

On the other side, we witness abuse of the use of alcohol. Dr. Alan Gilbert, Director of the Royal Alexandra General Hospital's Detoxification Unit, said alcohol abuse is increasing so quickly that

related health problems like cirrhosis of the liver could become Canada's number one killer disease in ten years. "We have a society where children are sent home from school because they are drunk," he said.

The government received over \$613 million profit from alcohol in this province in the past year. But profit alone cannot be seen as the only objective. If government is going to rake in continuing profits, it must also play a more active role in helping those who are victims.

Alcohol control policies are political footballs kicked around by many governments and politicians in many jurisdictions trying to balance both the economic and health needs of the nation.

The best way to deal with the various aspects is before an all-party committee with public participation.

One certain conclusion I do have is that life-style advertising of alcohol and beer should be banned.

Report from Parliament

Bill Scott, M.P.

Scott pleased by Mulroney's victory

On June 11, the most highly publicized leadership convention ever held in Canada culminated in the election of Martin Brian Mulroney to the position of leader of the Progressive Conservative Party of Canada.

The convention itself was the most professionally organized event I have seen in this party. From registration, to the policy sessions, to the barbecue for eight thousands, every event was run beautifully.

I want to publicly congratulate all the candidates involved and wish them well. There were no losers Saturday afternoon. On the contrary, all Canadians were winners. The feeling of togetherness engendered by this convention and the publicity given to it will leave us in an even

stronger position going into the next election.

No better proof to this was evident than at the Parliamentary Caucus on Monday morning. Each defeated candidate pledged support to Mulroney as did all other Members of Caucus. There is no doubt that the Party will unite behind our new leader and shed the image that it has been given over the past few years.

At that same Caucus meeting, the gentleman who has so capably led the party since January, Hon. Erik Nielsen, announced that he had married in April. During those months of intense pressure on him he had managed to keep this a secret. I, and all our caucus members, gave him a standing ovation for his efforts and his good fortune. What better symbol of unity could we have had at our first caucus under our new leader.

Here are the teen volunteers from the Haliburton Red Cross Hospital. From left to right are Carol Lewis, Chantel LaRue and Diane Madill. In the back row are

Elaine Jackson (convenor), Maureen Billings, and Dawn Wright.

Writers' Corner

Why Beauty?

Immersed in colors rich, I wander,
While midst this sublime grandeur ponder
Why must all beauty be?

Does some incomprehensible mind
In creating beauty, a pleasure find,
Or is it made for me?

Can creatures all, immense or very small,
Enjoy this loveliness? Each sees some or all,
Though not as I or you.

Scientists explain and tell the why,

They cross each "i" and dot each "i":
Their statements must be true.

And yet - and yet it seems to me
As I gaze at color-radiant tree,
Beauty goes past season.

For every day, and all year through
New beauty shows to me, to you.
What is the hidden reason?

Beachli's top the Legion

Men's fastball action continues to heat up in Haliburton.

In games played two weeks ago, the scores went this way -- Curry Motors 3, Legion 2; Haliburton Lumber 18, Kennedy Surplus 2; Curry Motors 6, Haliburton Lumber 4, and Beachli Construction 15, Kennedy Surplus 2.

That led us into last week's matchups.

On Tuesday night Beachli Construction slaughtered the Legion 12-3.

Beachli's Jeff Carpenter homered to start things off for his side. Mark Schell singled, as did John Wilson -- and both crossed the plate after Kevin Sisson stroked a two-out double.

Bob Nichol kept the rally going with an RBI triple.

Legion didn't reply, so after one it was 4-0.

Jeff Carpenter reached on an error in the second, and advanced on an Aaron Nicholls sacrifice. Mark Schell singled him home, and it was 5-0.

In the bottom of the second Tony Salvatori blasted a homer to put Legion on the scoreboard.

Kevin Sisson stroked a

one-out double in the top of the third for Beachli's. Bob Nichol followed with a single -- but was nabbed at the plate after an error allowed Boice to advance to second. Sisson scored Beachli's sixth run on the play.

Carpenter led off with a single in the top of the fourth inning. Nicholls followed with a double, and Schell reached on an error.

Wilson reached on a fielder's choice, Nicholls stroked an RBI single, Sisson doubled in two and Nichol singled during the rally. That made the score 10-1.

No more runs came across until the sixth inning. Dave Nicholls singled and stole a base, advanced on a ground out and was sacrificed in by Bob Nichol.

In the bottom of the sixth Legion got a pair of runs. Wells Robertson singled, and scored on a Salvatori double. Sid Cooper doubled in Salvatori.

The last run came in the top of the seventh. Carpenter drew the one out walk, and was doubled in by Schell -- who racked up 13 strikeouts in gaining the win.

On Thursday night fans were treated to a pitching duel between Mark Schell and

Bernie Nicholls. There was no scoring until the fifth inning. Jim Winn tripped to lead things off, and was doubled in by Art Dawson. An error let Earl Bull reach, and Dawson and Bull came home on an infield error. Those three runs -- two of them unearned -- were the only ones scored during the game.

Nicholls struck out nine on his way to a two-hit shutout. Schell allowed only four hits, while striking out five.

Legion rolled to a 9-4 triumph over Kennedy's in the late game Thursday.

After George Nicholls reached on an error, Tony Salvatori blasted a homer to give Legion the early lead.

Brian Mulholland walked and was brought in by Dwight Sisson's double to make the count 2-1 after the first.

Ron Perrin singled in the second, advanced on an error, and scored after a Lyle Sawyer single. Sawyer moved up after Lew Brown reached on an error, and scored on Bob Penfold's sacrifice. It was 4-1.

Sawyer walked to lead off

the fourth, advanced on a bunt, moved to third on a Wells Robertson single and came home on Bob Penfold's second sacrifice.

In the bottom of the second Sisson walked, letter scoring after a pair of Legion errors.

Salvatori walked to lead off the Legion fifth. A walk to Gary Brohman and a single by Dale Robins scored him, and it was 6-2.

Kevin Finch singled in the bottom of the sixth, stole a base, advanced on a sacrifice and came home on an error. That made the score 6-3 heading into the seventh frame.

Brohman singled, Robinson and Sawyer followed with singles, and Stuart Baker reached on an error. An error allowed Robertson to reach first, and Penfold was hit by a pitch -- all in the seventh. That brought three more across for the Legion.

Kennedy's tried to narrow the gap. Mulholland walked, followed by a Sisson double. Mulholland came in on a sacrifice, and Greg Bishop singled home Sisson. Steve Bishop's single delivered him, but it was too little, too late.

Jimmy Winn (right) connects on a Mark Schell pitch and drives the ball towards third. Looking on are umpire Barry Boice (left) and catcher Dave Nicholls.

Winn was out on the play but Haliburton Lumber won the game 3-0 last Thursday night.

Minden Seniors lose their first game, Wilberforce whumps Carnarvon 28-3

by LORI DEAN

The Minden Dixie Lee suffered their first loss of the season last Thursday night as Wilberforce downed the Mindeners by a score of 4-3.

It was a well-played contest with both teams playing heads up ball. Minden took the lead in the second inning with runs coming from Sue Pye and Trish Slavik. Wilberforce got their first two runs in the fourth to tie the game from Cheryl Riley and Jo Olszewski. Minden took the lead back in the fifth with a home run by Trish Slavik who is playing good ball for Minden this year.

Wilberforce continued to

play a good defensive game and finally got their chance in the seventh inning with two more runs coming from Kim Mumford and Cindy Ablett. Sue Musclove was the winning pitcher while Nelda Cully took the loss in this one. The win by Wilberforce now ties them with Minden Seniors for the league lead.

In an earlier game last week Wilberforce took a four pointer from the Carnarvon ladies. The score was a whopping 28-3 for Wilberforce. Kim Mumford had a good night at bat for Wilberforce collecting four runs out of five at bat.

Haliburton Seniors and Minden Juniors also did

battle last week with Haliburton coming out on top by a 9-7 count. Cheryl Dillon pitched a good game for Minden but her teammates couldn't hang on for the win.

West Guilford were at home last Tuesday night to the Minden Seniors. I'm sure Guilford wished they had stayed home because Minden defeated them 10-6. Both teams played exceptionally well but Minden hung on for the win.

Marg Fielding and Wendy Gough hit well for Minden as did Cheryl Cooper and Michel Rosenberg for Guilford. Ann Hewson was the winning pitcher while Joan McKay took the loss.

The Minden Juniors got their first win of the season as they defeated Carnarvon by a close 27-22 count. (No details on this one!)

Note: Some teams are still not calling in their scores. It's impossible to give your team credit if no one puts forth an effort. All teams deserve a good write up but if the information isn't there it's impossible. Call 457-1702 with your scores!!

Aggregate producers had difficult year in 1982: MNR

Lindsay District construction industries and aggregate producers had a difficult year in 1982. Compared to 1981, aggregate production decreased by 12.5 per cent.

Licensed pit and quarry operators produced 7.77 million tonnes of aggregate, about 95 per cent of total district production. The remaining five per cent, .45 million tonnes, was produced from temporary wayside pits to accommodate various

municipal and provincial road construction projects.

Over 80 per cent of the 1982 production was derived from sand and gravel deposits. The balance was quarried from limestone, shale, basalt and granite deposits. Products included cement, concrete aggregates, crushed stone, dimension stone and roofing granules.

Land restoration and other property improvements were carried out by operators on

31 licensed properties during 1982. Four of these properties were totally rehabilitated and licences cancelled. Total rehabilitation costs on licensed properties in 1982 amounted to almost \$210,000.

A preliminary study on peat and peatland evaluation of the Peterborough area is now on open file and can be viewed at the Lindsay District Office.

This report is one of a

series of peat and peatland resources reports planned for study areas across Ontario. The peatland inventory project is a component of the Hydrocarbon Energy Resources Program (HERP), funded by the Board of Industrial Leadership and Development (BILD).

To obtain paper copies, users will be requested to make their own photocopying arrangements. The open file report is 105 pages long and includes several maps.

Track results from the latest Victoria County meet

by KELLY GRAHAM

As most of you know the Northern Schools took the trophy for the greatest number of overall points at the Victoria County track and field meet last June 9. In view of that victory I would like you to see a list of the people, from the Northern Schools, who received ribbons at that meet.

Senior boys
John Hill -- first, 100 meter, second - 200 meter, fourth - long jump. Mike Zandstra

-- first, high jump. Mark Knopp -- third, high jump, fifth - long jump, fourth - triple jump, outstanding senior boy.

Senior girls
Jennifer Dettman -- fourth, high jump; Barbi-Jo Wallwork -- fifth, shot put; Joanne Swinson -- second, standing jump.

Intermediate boys
Jim Riordon -- first, running long, fifth - 100 meters; Lenny Greer -- sixth,

800 meters, fifth -- high jump.

Intermediate girls
Lisa Kay -- second, standing broad, second -- running long.

Junior boys
Kevin Perrault, third, 50 meters, second - 100 meters; Tyler Tomilson, second, triple jump; Danny Potter, sixth, triple jump; Kevin Chambers, second, running long; Quentin Greer, fifth, running long;

Jason Foster, first, high jump; Outstanding junior boy - Kevin Perrault.

Junior girls
Sarah Austin, fifth, long jump; Molly Suckling, third, 400 meter, second - standing jump; Anne Ellis, fourth, standing jump.

I think all these winners and all the kids who participated are to be congratulated for bringing the trophy home where it belongs!

Many students receive exemptions

Congratulations from the staff of Haliburton Highlands Secondary School are extended to the following students who have been exempted from writing all of their June examinations.

To be exempted in a particular subject a student must have maintained an average greater than 66 per cent in his or her work for both terms.

Grade Nine

Lynn Anderson, Stephanie Bain, Mike Blake, Kevin Cowan, Jodi Dillon, Greg Foran, Jennie Gentle, Michele Harrison, Steve Hunter, Tony Hartin, Andrea Johnson, Nicole Kanter, Melanie Legge, Grant Loucks, Christopher Miscio, Kim Mumford, Tanya Rosenberg, Barry Scully, Jamie Stata, and Sandy Sutherland.

Grade Ten

Paul Allore, Peter Allore, Susie Blake, Susan Ballan-

tyne, Charlotte Barry, Cathy Craftchick, Rob Crowe, Dawn Cummings, Tom Eager, Patti Eade, Mike Goveatt, Randy Grant, Angela Higgins, Penny Henry, Gayle Higgins, Steve Hutchings, Len Johnston, Peter Jowett, Anita Kuno, Greg Lodenquai, Jackie Mawbey, Jack McKay, Leigh McKinlay, Linda Miller, Paul Milne, Lori O'Brien, Todd Powell, Sean Salvatori, Marlene Sanders, Mike Sawyer, Sean Saunders, Doug Shaw, Heidi Tashlin, Barb Taylor, Gary Vanderstarren, Sue Vuksic, and Adele Wray.

Grade Eleven

Barb Adams, Tara Davies, Lori Dunham, Lisa Dunsford, Dawn Elliott, Angela Googh, Tracey Jarrett, Lisa Jones, Mary Ann Madill, Lisa Malott, Rob MacLeod, Kelly McGuire, Dave McKay, Colin Newell, Real Purnell, Shona Ross, Sherry Sheehy,

Kathy Shipley, Kevin Warburton, Tracey Wilson, and Karen Wright.

Grade Twelve

Nancy Bagg, Mark Blackburn, Esther Cooper, Melanie Dewey, Karen Gillespie, Chris Hartin, Tracey Henderson, Cathy Howe, Debbie Ingram, Lori Magee, Karen Miller, Lori Pickett, Jessica Powell, Steven Rogers, Tony Sinikivi, Karen Smith, Karen Stewart, Signe Tashlin, Tracey Thompson, Steve Tripp, Paul Upton, and Jenny Woods.

Grade Thirteen

Terry Crowe, Chris Lodenquai, Jackie Miller, Kathy Mosgrove, Michael Pearsell, Mike Pearson, Craig Saunders, Bruce White, Jamie Wooden, and Dawn Wright. Congratulations to the following students who have achieved perfect attendance for the 1982-83 school year:

Greg Foran, 9A; Tony Hartin, 9B; Alex Little, 9B; Chris Miscio, 9B; Rhonda Walsh, 9B; Edward Dupe, 9B; Peter Allore, 10A; Marlene Sanders, 10A; Kevin Smith, 10A; Peter Jowett, 10B; Dennis McKee, 10B; Lori Ann O'Brien, 10B; Jon Orpana, 10B; Gary Vanderstarren, 10B; Paul Allore, 10C; Gayle Higgins, 10C; Sean Salvatori, 10C; Michael Sawyer, 10C; Miriam Smith, 10C; Barb Taylor, 10C; Lisa Anderson, 10G; Paul Walker, 10G; Karen Wright, 11A; Teri Burroughs, 11B; Warren Perry, 11B; Kathleen Shipley, 11B; Lianne Whitfield, 11B; Rose Daigle, 11D; Janelle Robinson, 11E; Sharlene Dennys, 12A; Paul Vuksic, 12A; Mel Ridgewell, 12B; Chris Nicholls, 12D; Stephen Rogers, 12D; Shane Blakey, 13A; Nancy Shipley, 13A; Wendy Sicard, 13A; and Cathy Tyler, 13A.

The staff of Haliburton's Dixie Lee poses in the new dining room. In the front row from the left are Kim Brown, Karen Wright, Korina Shonberg, Adine Adams, Linda Shaw, and Cindy Wallace. Back row from left: Wendy Jobling, Sherry Davies, Allan Irish,

Jay Picard, and Ken Dewey. Absent when the photo was taken were Deanna Thain, Lori Irish, John Burton, Randee Benson, Maureen Billings, and Tina Dewey.

The Echo 457-1037

Water levels hold steady

The Haliburton County area lakes operated by Trent-Severn Waterway remained at the same average of 97 per cent from June 9-13. This is about 4.5 per cent higher than the 10-year average for this time of year. A decline had begun due to the dry weather, but only a small draw off was needed by June 17.

Most of the evaporation losses from the Kawarthas were compensated with re-

duced flows to the Otonabee River. This flow is now down to near the summer minimum for navigation.

Along all of the canal route in the Severn and Trent Watersheds the levels and flows are normal for dry early summer conditions. Flows of water along the route can't be decreased much more so continued dry weather will result in declines of the Haliburton reservoirs and Lake Simcoe-Couchiching.

Monmouth council meeting

A special meeting of Monmouth Township council was held on June 13, 1983 at 7 p.m.

Members present included Reeve Keith Tallman, deputy-reeve Harry Clark, and councillors Jim Deterling, Barry Dunford and Al Revill. Clerk-treasurer Sharon Stoughton was on hand.

Resolutions

• Moved by Dunford, seconded by Revill, that this special meeting of June 13 be opened. Carried.

• Moved by Revill, seconded by Deterling, that by-law 83-12 being a by-law to adopt estimates for 1983 be read a first, second and third time and passed as prepared. Carried.

Recorded vote -- Moved by Revill, seconded by Dunford, that we agree to stop and close up that portion of the original road part lot 31, con. 16, being registered in the registry office for Haliburton County as Inst. 1009 in front of hte applicants property lines provided the applicant bears all costs and deals with all objections. Yeas - Alan Revill, Harry Clark, Barry Dunford, Jim Deterling, Keith Tallman. Carried.

• Moved by Dunford, seconded by Clark, that Bern Petker, Marion Tallman, Buster Anderson, Ted Deterling, Flo Taylor, Marg Finlay and Alan Revill be appointed to Senior Citizens Housing Committee. Carried.

Writers Corner

The Little Cannibal

Say, what's with these computers?
More efficient, so they tell;
Can do the work of many,
And do it just as well.

And what about these pay cheques?
And fewer folks to buy?
It somehow throws the balance
With the market running dry.

It seems this little cannibal
Is growing up too fast.
Free enterprise a bit too free,
Wrong flaghead at the mast.

Looks like a growing problem,
And not of one short spell,
With fewer folks now buying,
And so much more to sell.

Of course there's more to export -
If the other chap has change -
But if his pay cheque's limited
Our goods are out of range.

Please turn to Page 13

Linda Coneybeare of Trent Travel drew the winning ticket for an all-expenses-paid trip to a Toronto Blue Jay game (including transportation and a stay at the Royal York) at the Home Show two weeks ago. The winner was G. Maurice of RR 1, Perkinsfield, Ontario.

Senior League

by BERT HARRISON

Well, folks, we have been complaining all spring, because it's so cold and wet we couldn't do a thing and now, believe it or not, we are complaining that it is far too hot.

Robert and Ruth MacBrien took the service Sunday night in place of Rev. John, who was called away and couldn't carry on. Robert came to speak to us and Ruth came to play. They are coming Tuesday morning again. We thank them for coming to fill in.

It is pleasant in our gazebo these warm days. Why more do not use it is hard to say.

We would like to say a word or two about Ada L. The way she fits in around this home, we think is really swell. On weekends when the office staff is gone, Ada steps in and there she carries on -- answering the phone, phoning out requests, taking in payment from dining guests -- just anything there is to do -- we would like to say a big thank you. Then at night we have Cheryl Dillon, who looks after the telephone and is always willing to keep everything in line until she goes home at closing time.

My wife and I would like to thank all those who sent lovely cards and very good wishes on the occasion of our

sixty-fifth wedding anniversary. We also had congratulations from the Queen, who said she would like to fly across the brine to congratulate us personally, but she doesn't have the time. Also a nice plaque and best wishes from Prime Minister Trudeau. He said it may not be too long until he may have to go.

Congratulations to Neil Walker, who works at Highland Crest. He was awarded an honors Bachelors of Business Administration degree. We wish him all the best.

From all of us here, we would like to say, congratulations and best wishes to Rev. and Mrs. Brubacher on their 50th wedding anniversary day.

Tuesday evening, Payne, Deacon and Crowe, with two more added to the show -- we had three guitar players, a fiddle and banjo. They played and sang some good old songs. A good time was had by all. They won't come back to play again 'till sometime in the fall.

We are happy to have Ina McGuire back from hospital, where she spent a few days. Her husband misses her so when she is away. We miss Helen Lee, with her cute little smile, she is confined at home with health problems for a while.

The lady lawn bowlers brought in the lunch on

Thursday. They served it up so nicely - they had a good supply - and we had a happy afternoon before they said goodbye.

Friday afternoon it was so awfully hot, we didn't know whether we would have sing song or not. They came -- looking so cool and all ready to entertain. We look forward to their coming again.

Next week is Senior Citizen's Week. Each day was planned with care. If you don't see me on the bus you'll know that I wasn't there. Doris is coming for the week, just to drive the bus. If they don't let her come back to work real soon she will make a fuss.

The Friendship Service Group came to us on Saturday to witness for their Master. They sing and also play. We thank them for coming - they are so sincere. We look forward to their coming at least twice a year.

Our "manager" has been away the last two days or so. He doesn't always tell us children where he's going to go. But we have a hunch, you see, that he has to seek more benefits for his large family. Question not, but live and labour 'till your goal be won. Helping every feeble neighbor, seeking help from none. Life is mostly froth and bubble - two things stand like stone.

Kindness in another's trouble - courage in your own.

Dixie Lee club ties Orillia City 1 - 1

by JIM MILNE

The Dixie Lee soccer team fought Orillia City to a 1-1 draw in Haliburton last Sunday. The first half was scoreless although the home team had some good chances created by a fast young forward line. Orillia City scored first at about

the 15 minute mark of the second half when an excellent cross was headed into the goal. Not long after Orillia was thwarted by Andrew Shapiera's driving save. At about the 35 minute mark Mike Hatkoski finished a run with the ball down the left wing, with a

high shot from a sharp angle for the tying goal.

The team will practice in Haliburton this week on Wednesday night at 7 p.m. and travel to Bracebridge to play the Sun on Sunday. This is the only team, they have not yet met.

These girl guides received a high honor recently -- the striped, braided cords each is wearing. From left to right are Nora Morrison, Angela Smith, and Heather Creelman.

Sherborne accepts tenders, eyes streetlights

from page 2

were from Huntsville Fuels and Lang-Muskoka (Muskoka Oil Company Limited). Upon review by council of the tenders received, council passed the following resolution.

• Moved by Don Shortreed, seconded by Joyce McKey that council accept the tender submitted by Lang - Muskoka to service all Municipal facilities requiring furnace oil/diesel as follows: furnace oil -- net price 27.6 cents per litre; diesel fuel -- net price 40.6 cents per litre. Effective date: June 1, 1983. Carried.

Council directed the clerk-treasurer to write a letter to each company advising them of council's decision regarding the tenders.

Council reviewed the letter dated April 25, 1983 from the Ministry of Transportation and Communications regarding the "illumination on provincial highways". Council directed the clerk-treasurer to write to the ministry advising them of council's intentions in regards to the possibility of installing street lights on Highways 35 and 60, in the Dorset and Oxtongue Lake areas respectively. The cost factor for the installation of street lights is of utmost importance and the major concern of council.

Council reviewed the letter from Dyke Holdings Limited written to MTC dated April 14, 1983 regarding Bonfield Street, Dorset By-pass, Highway 35. The letter was noted and filed.

An informal discussion took place regarding the possibility of updating and improving the communications system for the roads department. During the discussion, council directed the clerk-treasurer to write to Bell Canada as to why there was no coin telephone placed at the switching station near Bemamba Lodge on South Kawagama Lake Road for emergency situations.

Council reviewed the letter from Mr. McGill, president of the Raven Lake Property Owners Association regarding the floating dock. Delbert Page advised council that work would be undertaken on

Monday, May 16, 1983, however, it would not be completed by the Victoria Day Weekend. Council instructed the clerk-treasurer to advise McGill in that regard and to warn individuals who use the dock that it was under rehabilitation. It should be noted that the work would be carried out under the Canada/Ontario Employment Development Grant.

Council was in receipt of the Canada/Ontario Employment Development program application which was approved by the Canadian and Provincial departments in the amount of \$34,506. The program was to cover 21 weeks for the first group which was hired who commenced work on May 9, 1983.

Resolutions

• Moved by Marilyn Jarvis, seconded by Ed Vallance that road voucher four be approved in the amount of \$6,144.32 for expenses incurred for the month of April, 1983. Carried.

The following items of correspondence were reviewed by council:

(a) Letter from Petr Tobias to Messrs. Blake, Cassels and Graydon regarding the signed agreement between the municipality and the KBL Bridge Association.

(b) Letter from Mr. Tobias to Messrs. Lee, Roche and Kelly regarding the KBL bridge hearing.

(c) Letter from m (Mr. Dick Ellis - acting lands supervisor) regarding the land use permit for the Municipal Sludge Pit located in McClintock Township and the possible purchase of land for the one time fee of \$200.

Council's decision was to remain with the lease arrangements at this time due to financial restraints on the cost factors involved in purchasing this land.

• Moved by Joyce McKey, seconded by Marilyn Jarvis that council approve the issuance of a land use permit to cover the period from June 15, to June 14, 1984 for the five-acre site located on part of lot 5, concession XIII, in the Township of Sherborne (Municipal Garbage Disposal Site -- Dorset) for a rental fee of \$50. Carried.

• Moved by Ed Vallance, seconded by Don Shortreed that council hire Roy Russell to work at the two municipal dumps located in Dorset and Oxtongue Lake at a rate of \$5.25 per hour as follows: 16 hours at Dorset/week; 16 hours at Oxtongue/week. Total hours per week 32 hours (bi-weekly...64). Period of Employment (Seasonal) - May 24 to Sept. 4, 1983. Carried.

A general discussion took place regarding the storage of the old records of the municipality and the possibility of setting up a proper facility in the form of a library/office above the general offices in order to protect these records. Council agreed to inspect the area where the old records were stored after recessing for lunch.

• Moved by Joyce McKey, seconded by Ed Vallance that in the absence of the reeve (due to illness) upon reconvening after lunch, that the deputy-reeve preside over the meeting at 1:30 p.m. Carried.

The Clerk-treasurer then proceeded to read the fol-

lowing items of correspondence which were received in the morning mail:

(1) Letter from the Ministry of

(1) Letter from the Ministry of Municipal Affairs and Housing advising that the interim payment of the grants - in - lieu under the Municipal Tax Assistance Act would be forwarded shortly (\$5,661.31).

(2) Letter from the Ministry of Municipal Affairs and Housing advising that the payment in Lieu of Tax under the Provincial Parks Municipal Tax Assistance Act would be forwarded shortly. This represented the acquisition of Lawrence and Nightengale by the Municipality under the County of Haliburton Act, 1982 (\$59,556.50).

(3) Letter from Ontario Hydro (Mr. E.J. Leslie) regarding the cost of installing street lights in the Village of Dorset (\$760) and Oxtongue Lake (\$768). As indicated

earlier, the matter was for information only.

(4) Letter from Mr. Peter Tobias regarding the KBL Bridge Association enclosing the following items for review by council:

(a) Letter from solicitors of the KBL Bridge Association dated April 29/83
(b) Performance Bond
(c) Letter from KBL Bridge

Association addressed to the Manager of the Canadian Imperial Bank of Commerce dated April 29/83.

Council was to review the above items and advise Mr. Tobias of their comments as soon as possible.

Council then proceeded to pass the following resolutions regarding Ronald Campbell's application for road allowance closure. The public notices were duly advertised for four consecutive weeks and posted and no objections were received, therefore, by-laws enacted.

THANKS FOR YOUR IDEAS

Last summer, the Ministry of Natural Resources invited you to come out with your ideas. To bring your thoughts on how to best manage Ontario's vast resources to a series of Open Houses across the province. And come out you did. By the thousands. With just as many good ideas. Now, we're inviting you to come visit once again, and see the results of your suggestions.

Our District Offices will be holding a Public Information Week from June 27th to June 30th. Everyone is invited to come out and view the documents and maps which have been developed, to ensure the wisest possible use of Ontario's natural resources. This is your opportunity to see how your ideas shaped up.

Ministry of Natural Resources
Hon. Alan W. Pope
Minister
W. T. Foster
Deputy Minister

Officials on hand for the opening of the new seniors centre near Fort Irwin included, from left to right, Victoria-Haliburton MPP John Eakins, Dysart Coun. Glen Hodgson, Dysart Reeve Murray Fearrey, Shirley Mark, and Victoria-Haliburton MP Bill Scott. A crowd of about 100 attended the opening.

CHACE Place -- a venue for young and old alike

CHACE Place is a drop-in centre for parents and children, located in the village of Haliburton at Sir Sandford Fleming College. It is open to everyone, permanent residents, cottagers and visitors to the area. We have just finished a very successful series of child development movies on Thursday mornings. Starting June 30 and every Thursday morning through the summer we will be having a special activity day for children. We will start with a magic show, then a nature hike, a clown day, a puppet day, a midsummer picnic, a field day and a dress up day.

Drop in any day from Monday to Saturday for our regular informal program.

Children of all ages are welcome. We are selling cookbooks and T-shirts to raise funds to support the resource centre.

NOTICE

SENIOR CITIZEN HOUSING

STAANWORTH HOUSING CORPORATION

The Townships of Lutterworth, Stanhope and Anson, Hindon and Minden are making a joint attempt to determine the immediate need for Senior Citizen Housing in the area. We ask your co-operation in responding to this Notice (if interested) as soon as possible.

It is estimated that a project consisting of twenty or more apartments will be ready for occupancy by October of 1984.

Up to 50% of these apartments will be available for rent-geared-to-income residents.

For further information and/or application forms please contact your municipal office.

Township of Lutterworth,

Council requests MOE input on waste

from page 8

service charged for the installation of a trailer hitch.

Elgin Stouffer declared a conflict of interest on item number 20 on general accounts payable which represented a purchase of material for the library;

Elvin Johnson declared a conflict of interest on item number 14 on general accounts payable which represented a purchase of keys for park purposes.

And all members refrained from discussion or voting on these noted items.

Resolutions

- Moved by Elvin Johnson, seconded by Ann Barker that the minutes of the last regular meeting held May 11, 1983 be adopted as circulated. Carried.
- Moved by Elgin Stouffer, seconded by Dale MacDonald that council accept the 1983 general estimated budget totalling \$262,250 as shown on Schedule "A" attached. Carried.
- Moved by Ann Barker, seconded by Elvin Johnson that council has no objection to the Maple and Beech Lake Property Owners Association using the Stanhope Recreation Park Area (Lot 15 Con 4) on August 20 or 27, 1983 for the purpose of an Association Corn Roast. Carried.
- Moved by Elgin Stouffer, seconded by Dale MacDonald that council authorize a donation of \$50 to the Hyland Crest Senior Citizens Home to financially aid in the "Over 70's Open House" to be held June 21, 1983. Carried.
- Moved by Dale MacDonald, seconded by Ann Barker that the council of Stanhope Township request the clerk to write a letter to the Ministry of the Environment requesting a follow-up on the disposal of the toxic containers found at the Maple Lake Dump. Carried.
- Moved by Elgin Johnson, seconded by Ann Barker that council acknowledge receipt of copies of the following committee meeting minutes: Fun Day Committee, May, 1983; Community Centres Board, May 20, 1983; Recreation Committee, May 18, 1983; Library Committee, May 26, 1983. Carried.
- Moved by Elgin Stouffer, seconded by Dale MacDonald that council authorize a donation of \$150 be made to the Horticultural Society to financially help in providing their service in the County of Haliburton and in particular their service in Stanhope. Council wishes to extend sincere appreciation to Lloyd Coleman for his work and efforts in Stanhope and also compliment him on the job that he performs. Carried.
- Moved by Dale MacDonald, seconded by Elgin Stouffer that council acknowledge receipt of the feasibility study committee's study on the proposed addition to the Stanhope Fire-fighter's Community Hall. Council hereby adopts the recommendation as made in the study until future circumstances may necessitate revisions to these recommendations. Carried.
- Moved by Elvin Johnson, seconded by Elgin Stouffer that the Community Centres Board be supplied with copies of the Feasibility Study relevant to a proposed addition to the Community Hall as prepared by the Feasibility Study Committee. Carried.
- Moved by Ann Barker, seconded by Dale MacDonald that council authorize the clerk to draw up an agreement form to be applied to all rentals for the township barbeque. The rate of rent to be \$30 per day plus a returnable deposit of \$100 for any damage to the barbeque. Carried.
- Moved by Dale MacDonald, seconded by Ann Barker that council has no objection to an "Airport Fly-In" being held on July 10, at the Haliburton Highlands Stanhope Airport. Carried.
- Moved by Harry Davis, seconded by Dale MacDonald, Elgin Stouffer, Ann Barker and Elvin Johnson that council approve general accounts totalling \$20,573.31; road voucher number five in the amount of \$15,435.10 and May, 1983 Welfare totalling \$4,760.85. Carried.

By-laws 83-14 to levy and collect tax rates for 1983; 83-15 to stop up, close and convey a part of an original allowance for road; 83-16 to stop up, close and convey parts of an original allowance for road and 83-17 to authorize the temporary closing of municipal roads were received and read a first time. Carried.

By-laws 83-14 to 83-17 inclusive were read a second time and referred to a committee of the whole council with Elvin Johnson and Ann Barker appointed chairman. Carried.

By-laws 83-14 to 83-17 inclusive as reported by the committee of the whole were read a third time, passed, signed and sealed. Carried.

The next regular meeting of council will be held Wednesday, July 13, 1983 at 8:30 a.m.

MUNICIPALITY OF DYSART ET AL

NOTICE

In the matter of The Municipal Act and in the matter of a proposed by-law of the Municipality of Dysart et al to stop up, close and convey part of the original allowance for road along the shore of Haliburton Lake in front of Lot 11, Concession VI in the Township of Harburn in the County of Haliburton.

NOTICE IS HEREBY GIVEN pursuant to Chapter 302, Section 301 of The Municipal Act, as amended, that the Township Council of the Municipality of Dysart et al proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, July 11, 1983, a By-law to:

FIRSTLY:
Close, Stop-up and Convey Part of the Original Allowance for Road along the shore of Haliburton Lake in front of Lot 11, Concession VI in the Township of Harburn, County of Haliburton, designated as Parts 1, 2 and 3 on a draft plan of survey by Bishop and Wilson, Ontario Land Surveyors, dated April 2, 1983.

SECONDLY:
To Close and Stop-Up Part of the Original Allowance for Road in front of Lot 11, Concession VI in the Township of Harburn, County of Haliburton, designated as Parts 4, 5 and 6 on a draft plan of survey by Bishop and Wilson, Ontario Land Surveyors, dated April 2, 1983.

AND WHICH SAID parcel or tract of land may be further illustrated shown in heavy outline on a plan of survey by Bishop and Wilson, Ontario Land Surveyors, dated April 2, 1983 and available for inspection at the Township Offices of the Municipality of Dysart et al, Haliburton, Ontario.

AND TAKE FURTHER NOTICE that before passing the said by-law at its meeting to be held at the time and place above-mentioned the Township Council of the Municipality of Dysart et al shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED at Haliburton, Ontario this 8th day of June, 1983.

Wayne B. Wood, C.M.C.,
Clerk-Administrator

Feature

Up in the air with the fire wardens

MNR pilot Don Finn jokes with local fire wardens before taking them on a flight over local lakes. The plane trip Saturday took wardens over Ingolsby,

Kennisis Lake, Fort Irwin, and Eagle Lake before returning to Head Lake for a landing.

The view from inside the STOL (short-takeoff and landing) aircraft used on an inspection tour for local fire wardens was almost as interesting as the scenery

below. The plane took off and landed on Head Lake in Haliburton Saturday.

Photos by Martin Biefer

Minden WI holds regular monthly meeting

by JEANNE SEARS

The June 15 meeting of Minden Women's Institute took the form of a pot luck luncheon at 12:30 at the United Church Hall. We all joined in the grace then enjoyed the delicious buffet meal. After this was cleared away the President, Mrs. L. Cox, welcomed us and read a verse "ways of saying thank you" to open the meeting. The roll call informed us of who was so kind to us as a secret pal in the past year.

Twenty-five members and two guests were present.

New hand books, Home and Country magazines had been given out and the programs for the coming year as well, these being very useful and attractive. The card report was given by Mrs. W. More and showed 18 cards sent since last meeting and collections for this fund and Pennies for Friendship were collected.

We had collected over \$17 dollars in the past year. We

were pleased to receive some snapshots taken at the Quilt Course Achievement Day; thanks to Heidi Petrie, and these will go into our activities book.

Mrs. L. Cox then very graciously presented our very surprised treasurer, Mrs. A. S. Kernohan, with her life membership badge and certificate. Mrs. Kernohan then very capably thanked us. Arrangements were made for a Craft-Bake Sale on the

CIBC lawn on Friday, August 5 after 10 a.m.

Mrs. W. Moore then arranged Secret Pals for the coming year for those wishing these.

The meeting adjourned until September 21 when we meet at 2 p.m. at the common room with all ladies welcome.

Five members carried our good wishes to Burnt River Branch which was celebrating their 75th anniversary that afternoon.

Galway council hears from Dharma Centre

The sixth regular meeting of Galway and Cavendish Township council was held in the township office on May 28 at 10 a.m.

Present were Reeve Carl Brickman, deputy-reeve Jean MacLellan, and councillors Roy Carswell, Harry Stuart, and Henry Nokes. Joan McCausland, clerk-treasurer was on hand and visitors were Rod Malham and Alex Speer of the Dharma Centre.

Resolutions

• Moved by MacLellan, seconded by Stuart that the minutes of the May 14 council meeting be adopted as amended: amendment: pertaining to Debra McCrosson and Bryan Mullen's attendance at the meeting of April 30. The following should be added: "or conform to the requirement that a school

bus and snowplough route already serves the road." Carried.

Mr. Speer gave council a background history of the Dharma Centre and explained to them the types of buildings that already exist. Council explained to Mr. Speer and Mr. Malham the route that would be necessary for them to take in order for the proposed new dwellings to be erected.

• Moved by Stuart, seconded by MacLellan that council agrees in concept with the proposal presented by the Dharma Centre representatives for development of the property situated on lots 19 to 23, Concession 15, Galway and further that the clerk is hereby authorized to proceed with the following items once a fee of \$600 has been placed on deposit with the township:

- prepare a rezoning by-law for the property; - have the Township solicitor prepare a site plan for the property; - have an agreement registered on title between the Township and Dharma Centre.

Mr. Bogoros attended the meeting to request his deposit of \$500 for the purchase of property on concession 12, lots 19 and 20 (Hyland Homes) Galway Township, be refunded.

Mr. Ken Bell attended the meeting to discuss the tax registration placed on his property in June 1982.

• Moved by Nokes, seconded by Stuart that the clerk is hereby authorized to enter into an agreement to recover tax arrears, interests and costs on concession 10, part lot 30, plan 10, lot 30, with payments to be made as follows: \$1,000 May 28/83, \$1,000 July 15 with the balance to be paid in full by September 15. Carried.

Mr. Chalk attended the meeting to discuss his quotation for the installation of a heat pump for the township office.

• Moved by Nokes, seconded by MacLellan that the quotation from James Chalk Refrigeration for the supply of the following -- complete installation of the heat pump, outdoor unit mounted on a stand designed to keep the unit out of the snow, electronic air - cleaner and indoor coil installed with new sheet metal fittings electrical wiring and electrical inspection permit, condensate drain from the outdoor coil, new drive belt and motor pulley, be accepted in the amount of \$1,000. Carried.

Please turn to Page 15

This resort on Kennisis Lake was one of the landmarks used by the pilot as he headed his aircraft north. Wardens spotted a small fire burning in Eyre Township.

As the plane approached the village of Haliburton we were offered this unusual view of Eagle Lake. The pontoon-equipped craft circled Haliburton village before touching down on Head Lake.

Kinmount Korner

by **MILLIE MOSS**
The family of John and Helen Hickey cordially invite one and all to help celebrate their 50th wedding anniversary on Sunday, July 3 to be held at the Galway Community Centre on Galway Road. There will be an open house from 2 p.m. to 5 p.m. with dancing following, from 8 p.m. to 11 p.m. Best wishes only.

At our house over the weekend we enjoyed the company of Bonnie Walker and Charlie Ryan of Weston, along with Bill and Jason Moss of Norland. On Sunday, we had Win Wilson and Betty Lonsdale stop by for a very nice visit. Thanks girls! Bill Jr. took "Riley" over to Norland on Sunday afternoon for a while but Riley decided to take a tour of the area. We were told he'd been seen at different places, among them, Hilda Chynoweth's where Riley had a swim with Hilda's grandchildren.

We thought he may be finding his way back to Kinmount so I phoned a few folks along Highway 503 to ask them to watch out for our dog as he hadn't been out on his own before. Thanks to Mr. Hill, the Suckling family and Monica Hall. Later, we had a phone call from Jack Pyke in Norland. Riley obviously decided it would be less of a walk to head back rather than trot all the way to Kinmount. He didn't want to go to Norland in the first place and in his own way he let us know it.

Don't forget the open house tea to be held at the Kinmount Community Hall on Sunday, June 26 from 2 p.m. to 4 p.m. This affair is to honor our retiring public school principal, Isabel Austin, who has done such an inspiring job for many years with our young people. Come one, come all and wish Isabel all the best in anything she wishes to do in her future.

Sympathy to family and friends of Bill Downes who passed away last week.

I'm told Bill Lilley wasn't too well as of last Tuesday and Tony Abela of TJ's in town, had the misfortune of receiving a very badly cut thumb on Monday followed

by surgery Monday night in hospital at Peterborough. Hope you're both all well very soon.

Enid Khignesse and Marion were guests of Dora and Bill Lilley at their Norland home, for a few days recently.

Juanita Smith is now in San Francisco following her trip to Germany re her work.

Try to get out to a special meeting which will be held Wednesday, June 29 at 7:30 p.m. at the Kinmount Community Hall. The business people in town are trying very hard to get things moving in our area. This organizing group will be called "Kinmount Area Civic Association" and at this special meeting nominations will be taken to set up a Committee of twelve members. Your support in helping this group - and yourselves - will be greatly appreciated so do try to come out and see what's going on around you.

Our thoughts and good wishes go out to Bill and Bertha Stata and any other ailing people at this time.

Some 35 ladies showed up at a baby shower held in honor of Enza Suckling who will be making hubby, Christopher, a proud papa very soon now. The shower was held at St. Patrick's hall, Monday evening, June 13. I'm told that besides the 35 or so who were present, many gifts arrived from parties who were unable to attend and Enza should have enough "little new things" for four or five babies. Congratulations and all the best to you kids.

Sorry to hear Joan and Ken Hyams were down with a virus last week. Ken seems back to his chipper self but as at this writing Joan was still down.

Happy birthday to Carrie Mae Crego, Thursday, June 16.

Brownies, Kinmount Pack One were out to South Lake Trailer Park for last weekend.

Joe Crego suffered more than a touch of the sun one day last week. Take it easy in this heat folks and wear a hat of some kind when you are outside.

Tony Abela didn't make it home from hospital last Tuesday as hoped. He did undergo surgery as reported earlier in this column but was on the table for five hours. The doctors are hoping Tony's thumb will "take" and at this time are quite optimistic. We're all pulling for you Tony!

Congratulations to Win and Bill Wilson upon the birth of their even "one dozenth" grandchild. A girl, seven pounds, 11 ounces, born on Sunday, June 12 to Ruth and Al Brady and a little sister for Sarah - of Hazleton (Kispiox Valley), B.C.

Results of St. James euchre, Tuesday, June 14: ladies' high, Freda Harrison; ladies low, Esther Graham; men's high, Hugh Phillips; men's low, Richard Walker; lone hands, Clara Watson. There were seven tables.

If any of you were wanting some Tupperware give me a call at 488-2353 as I will be having a Tupper party here on Tuesday, June 28 at 1:30 p.m. The lady demonstrator tells me their company now has the pie stackers in stock again and I happen to know a number of you ladies want them for toting your pies to the many church affairs we have.

Most welcome guests of Ernie and Vivian Anderson at their home RRI, Kinmount, for a month, from their home in Whitehorse, Yukon, were daughter, Dayle Monahan and her son and daughter Blayne and Rhonda. Other than visiting with relatives and friends while here, they spent a very nice day at Niagara, visited Wonderland at Maple, Cullen Gardens over at Whitby and Lang Pioneer Village at Peterborough. Come again soon folks, I think grandma was missing you soon as you left. Vivian and Ernie saw their family off, by air, on Sunday, June 12.

Ernie Anderson and a son Lawrence of Minden spent last Thursday in Lindsay with another son, Gary Anderson.

Further to Joe Crego's "Touch of sun," he got too much of old Sol a few days later and after passing out and falling off a chair, he was

sent home to recuperate.

Sorry to hear Dennis Weaver of Norland fell from scaffolding while working on the corner store at Highways 35 and 503 and received serious injuries when landing on his feet. I'm told the bones in his feet and the heels are either broken and or fractured. Hope you're better very soon Dennis.

Gerry, Gladys and Joanne Silver of RRI Kinmount visited with Shawn Silver in Pickering recently.

A fun bingo sponsored by the Kinmount Legion Ladies' Auxiliary will be held in the Legion Hall in town June 29 at 8 p.m. Thereafter, each Wednesday during July and August also starting at 8 o'clock. Admission 50 cents. Cards for further games ten cents each or three for 25 cents.

Dagmar Simpson, Gladys Silver, Ruth Menard and Mary Hartin Sr. were looking forward to the Provincial Euchre games to be played at Belleville last Saturday. Bring home the big one girls!

Welcome home to Shirley Harris who has been visiting a son in Unionville for three weeks.

Sorry to hear Mrs. Bluet is in St. Joseph's Hospital in Peterborough.

It would cheer our ailing folks up if they were to receive a card of get well wishes, I'm sure.

Valerie Fraser of Scarborough has been a welcome visitor at the home of her parents, Marg and Glen Vinney for a week.

Have you ever tried this kind of "Carrot Loaf" -- two cups cooked carrots (diced or mashed), 3/4 cup soft bread crumbs, 1 1/2 cups milk, 1/2 tsp. salt, 1/2 cup grated cheese, 4 tbsp. melted butter, four eggs. Soak crumbs in heated milk. Add salt, butter, cheese, slightly beaten egg yolks and carrots. Fold in stiffly beaten egg whites. Bake in well greased casserole in moderate oven (375 degrees Fahrenheit) for about 45 minutes or until firm. Serve with a cheese or vegetable sauce.

Carnarvon News

On Sunday morning a memorial service was held in Zion Church when the family of the late Mrs. Helen Burton were present for the dedication of three communion trays given by the UCW in her memory. Rev. Westhaver read a fitting tribute and her granddaughter, Lisa Harrison of Oshawa, sang a lovely solo.

It was also the last day of Sunday school until fall, so the children took part in reading the scripture, taking up the collection. Lisa Tomlinson sang "These are a few of my favorite things."

In lieu of a sermon, Mrs. Evelyn Coleman then gave

an address on miracles, showing how a small seed can produce such delicious apples and related the miracle to our lives. Mrs. Coleman is a gifted speaker and the adults as well as the children enjoyed her talk.

Mr. Elgin Stouffer and Gail Barnhart then presented the attendance awards.

Coffee was served in honor of Father's Day which was followed by the annual S.S. picnic at Stanhope beach.

Mr. Wilfred Mason is convalescing at home after surgery in Peterborough.

Mrs. Sharon Barclay has returned from a visit to California.

Mr. and Mrs. M. Windsor have had several days visit from Mr. and Mrs. Jas. Sivarty and small daughter of Peterborough and Mark Windsor of Sudbury.

Mrs. Muriel Hewitt left Sunday and will fly to Calgary to be present at her granddaughter Carole Roger's wedding.

The sympathies of the community are extended to the Thomas family on the death of their beloved mother, Mrs. Frank Thomas. Relatives attending the funeral were from Sturgeon Falls, Peterborough, Scarborough, Toronto, Niagara Falls and our surrounding areas.

Mr. and Mrs. Jack Gregory and Mr. and Mrs. Fred Gregory drove to Toronto Airport to meet Hazel's cousins from Colorado. They all went on to view Niagara Falls also visiting in Whitby where they hoped to trace some of their ancestors before coming on to Carnarvon where they hope to stay for awhile.

Mr. and Mrs. Stan Archer went on the Senior Citizens trip to Gananoque and boat trip through the Thousand Islands and down the St. Lawrence River, it was a three day trip and was enjoyed by all with the best of weather.

Norland Natter

by **KELLY GRAHAM**

Hi! Well, looks as if the rainy weather is gone for a while. Although I'm glad to see the rain go I'm also getting tired of the present heat wave.

Congratulations to Laura and Phillip Bryant on the birth of their second daughter, Julie, born June 6. Little Julie will be a new sister for Christine.

A few weeks ago I mentioned how well the store in town was coming along, well, on July 1-3 the store is celebrating its grand opening. There will be many opening specials.

The "Norland Trading Company" also promises an upcoming opening of a section devoted entirely to the sportsmen -- featuring guns, tackle, gear, and bait.

Many people have commented on how much they enjoy the recipes I submit. I will try to print as many as possible in the future. Here's one for right now, Strawberry Pie Glace: one pack strawberry flavored gelatin; 1/2 cup of sugar; 1/4 tsp. of salt; 1 1/2 cups of hot water; two tblsp. lemon juice, 2/3 cup whipping cream; one baked 9-inch pie shell; one cup strawberry halves or slices.

Dissolve the gelatin, sugar and salt in hot water, add lemon juice, set aside half a cup of the gelatin mixture for glace. Chill remaining gelatin mixture until slightly thick. Whip cream and fold into the slightly thickened gelatin mixture. Spoon into the pie shell, chill until almost firm. Meanwhile, fold strawberries into remaining half cup of gelatin mixture. Spread strawberry mixture over the filling and chill until firm. Garnish with whipped cream. Makes 6-8 servings.

Sympathies to the families and friends of Paul Gilmour and Bill Downes who both passed away recently.

The grade one to four classes at Norland Public School recently travelled to Toronto to visit the Planetarium at the Royal Ontario Museum. I'm sure they had a pleasant trip.

I'm sorry to hear that Dorothy Powell is presently residing at Ross Memorial Hospital in Lindsay. I'm sure Mrs. Powell would appreciate any cards or letter wishing her a speedy recovery.

Don't forget the two flea markets this Saturday afternoon. One is in Coboconk and one is in Norland -- be sure to visit both of them.

The Horticultural Society recently completed their flower planting in front of the Post office, down by the Government Dock Rock, and on Highway 503 towards Kinmount. Les Thomas has been planting these flowers for ten years and I think everyone appreciates his efforts to beautify the community.

Terry Janke and Morris Lewis recently returned from a short trip to New Brunswick.

The number one song on 1050 CHUM for the week starting Friday, June 10 was "Flashdance" by Irene Cara.

Congratulations to Frank Batty on his recent engagement to Pamela Lynn Lowery. The couple will be married on July 16. I wish them many years of happiness.

The euchre scores for Thursday, June 16 were as follows: ladies high, Mary Ann Chynoweth; men's high, Mike Puterbaugh; ladies low, Joan Bowins; men's low, Grace England; skunkers Ziggy and Joan Bowins, Tony Kenneth and Dorothy Brown.

The winner of Shirley Harrison's latest Wintario ticket was Don Cain. If you would like to have a chance at winning remember to buy

your tickets at "Pine 'n Patches" and be sure to turn the nonwinning ones in.

I would like to apologize to John Hill. Last week, while congratulating him on his success at the Victoria County track and field meet I said he was from Kinmount. I recently learned he is from Kirkfield. Sorry John!

There has been another accident in the area. Dennis Weaver fell off the scaffold at the new store, landing on his feet. Both feet were operated on but the extent of his injuries is not yet known.

For the last few days the grades seven and eight class at Coboconk Public School has been painting various flower pots around town. Sounds like an original way to bring a little color to the town.

That's all for this week. Remember if you have any interesting news for me, please phone me at 454-3707.

Lend a hand to clean our land!

Galway council meets

from page 11

\$4,244 and further that the clerk is hereby authorized to apply to the Federal Government under the COSP grant for a grant of \$800 as this conversion meets the criteria defined in this program. Carried.

• Moved by Stuart, seconded by Nokes that roads voucher five for the month of May in the amount of \$47,024.92 be approved for payment. Carried.

Carl Brickman declared a conflict of interest on cheque number 1542, in the following resolution.

• Moved by Stuart, seconded by MacLellan that general voucher number five for the month of May in the amount of \$61,835.36, be approved for payment. Note: \$45,000 of the above amount is a bank loan payment. Carried.

• Moved by Nokes, seconded by MacLellan that UIC grant voucher number four for the month of May in the amount of \$1,687.90 be approved for payment. Carried.

Jean MacLellan declared a conflict of interest on cheque 1573 in the following resolution.

• Moved by Stuart, seconded by Carswell that NEED grant voucher number three for the month of May in the amount of \$3,171.31 be approved for payment. Carried.

• Moved by MacLellan, seconded by Carswell that social assistance payroll number four for the month of May in the amount of \$380.43, be approved for payment. Carried.

• Moved by Stuart, seconded by Carswell that the minutes of the roads committee meeting of May 28/83 be adopted as presented. Carried.

• Moved by MacLellan, seconded by Nokes that the

minutes of the Galway/Cavendish Culture and Recreation committee meeting of May 17/83, be adopted as presented. Carried.

• Moved by Carswell, seconded by MacLellan that the minutes of the committee of adjustment meeting of April 23/83 and May 27, be received. Carried.

• Moved by Stuart, seconded by MacLellan that the minutes of the 66 foot shoreline road allowance committee meeting of April 23 be approved. Carried.

• Moved by Nokes, seconded by Stuart that the minutes from the Reeve's AdHoc committee meeting of May 27, 1983 be received. Carried.

• Moved by MacLellan, seconded by Nokes that Harvey Township be advised that Galway/Cavendish Township hereby requests that the North Kawartha Planning Board be dissolved as of August 1 in accordance with the New Planning Act and further this municipality does not support formation of a North Kawartha Area Advisory Committee. Carried.

• Moved by Nokes, seconded by Carswell that it is the intent of the council of the Townships of Galway and Cavendish as provided in the New Planning Act to proceed with adoption of those portions of the North Kawartha

Official Plan that apply to Galway/Cavendish with no deletions or additions and further that the clerk is hereby requested to determine from the Ministry of Housing the appropriate steps required to achieve this objective. Carried.

Here are the winners in a contest to design a new Chamber of Commerce building. From left to right are teacher Les Jhancovitch, Steve Tripp, Steve

Rogers, Glen Clark, Peter Jennings, Stanhope deputy-reeve Elgin Stouffer, Fred Agnew, Charle Teljeur, and Chamber director Bill Kulus.

Letters

Aluminum deposits

from page 4

ening hazard of all.

The writer feels, in view of this new research, that a cautious person should:

• Have their water supply tested regularly for metallic salts where the pH is less than 5.5

• Avoid the ingestion of medication containing significant levels of aluminum where possible.

• Where practical, acid foods should not be cooked or stored in uncoated aluminum vessels.

• The MOE should be encouraged by County Council to begin a large scale testing of acidified water supplies for metallic ions.

• Finally a full scale limstoning of all acidified water systems that act as primary supply systems for drinking water should be instituted as rapidly as possible.

H. Michael Collins
Gooderham, Ontario

The Echo 457-1037

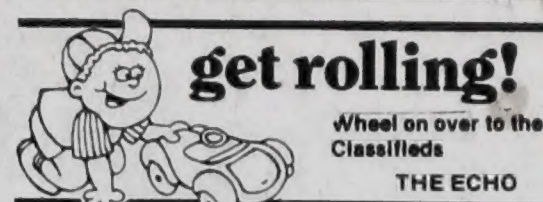

Seniors

by GLADYS REID

A large contingent of seniors from the Haliburton Senior Citizens Club helped the ABC club of Apsley celebrate their tenth anniversary last week.

Seniors from all over the county had been invited for this special occasion and to make the event a memorable one Bill Scott, MP, presented the club with a picture of the Queen and also a Canadian flag.

A number of guest speakers addressed the group, including Marlis Lindsay, the New Horizons representative, and John Waggoner, president of the United Seniors of Ontario.
